Dear Cathedral Families,

It is with gratitude and excitement that I write this letter of introduction. It is hard to believe that two years ago my husband and I fell in love with Cathedral School on a campus visit. We knew that it was the perfect fit for our family then and we continue to be impressed by the commitment of our teachers, families, and parish community. Therefore, I am humbled and honored by this opportunity.

To start, my name is Rebecca (Becky) Evans and I am originally from Leavenworth, Kansas. I earned my BA in English and MA in Teaching from the University of Saint Mary. I earned my Ed.S in Administration from Arkansas State University and am currently pursuing my PhD. It was at the University of Saint Mary that I was made fully aware of the power of Catholic education. The Sisters of Charity are truly inspiring. They encouraged me right away to become a teacher. I am forever grateful for their guidance. I quickly realized that educators hold enormous influence in the ability to shape the lives of our children.

Therefore, I began my education career eleven years ago serving in multiple capacities both in the junior high and high school setting. I taught for seven years as a middle school English and journalism teacher on the grounds of Ft. Leavenworth at Patton Jr. High School. I taught three years as a high school English and journalism teacher at Pleasant Ridge High School in Easton, KS and one year at Benton High School. In addition, I instructed English and education courses at Barton Community College, Highland Community College and Benedictine College. I began my career as principal at St. James School this last school year. I have truly enjoyed this role and look forward to making a positive impact in the Cathedral community.

On a personal note, my husband Michael and I are blessed with three beautiful children, two of whom attend Cathedral. Lucy is in first grade, Oliver is in Pre-K, and Augie is two years old. Michael is the Athletic Director and baseball coach at Bishop LeBlond High School. Together, we have a strong commitment to Catholic education throughout the entire St. Joseph community. In the meantime, my family and I will continue to be present in the Cathedral community. I look forward to getting to know you and your family. It is my hope that together, we can continue to provide quality educational experiences for our children and build upon the strong foundation of Cathedral School. I look forward to working with you.

Sincerely,
Rebecca J. Evans, Ed.S
